David,

I forgot to mention, the State's applicant El Paso Water Utilities wants to meet with us to convey their latest version of the application and modeling for the exemption. The State has already said its ok to meet with them. The meeting is scheduled for 1:00 pm - 2:00 pm on Monday Sept 20 in the Edwards Aquifer room. You're invited.

Stacey has also requested a prebrief to get some background. We hope to scheduled something for that next Thursday. I'll keep you posted. Thanks
